

# Pain, Pain Go Away

Do you suffer from any of these **NEUROPATHY SYMPTOMS**  
**Numbness | Weakness | Tingling | Pins and Needles | Loss of feeling | Pain**

**Non-surgical LASERA Laser THERAPY** that is safe and effective for **NEUROPATHY** patients.

## Treatment Options:

### *Non- surgical Lasera Treatment protocol*

\*Stimulates the nerves and pushes blood flow back to the damaged area to heal

### *Non-Surgical Spinal Decompression*

\* Pulls bulge/herniated and degenerative discs away from nerves w/out surgery. Improves disc space height so nerves to feet are relieved.
